Office that issued the document by the two-letter code (WIPO Standard S-1). If a Japanese patent document is the indication of the year of the filing of the Japanese Patent, the year of the filing of the Japanese Patent must precede the serial number of the patent document. If an indication of the year of the filing of the Japanese Patent is not present, the serial number of the patent document must precede the year of the filing of the Japanese Patent. If the WIPO Standard S-1 is not possible to apply and if the Japanese Patent is not indicated in English, a Japanese language Translation is attached.
